

An illustration of a young man with dark hair sitting at a desk in a creative studio. He is looking at a laptop screen. On the desk, there is a camera, a pair of glasses, a pen, and a small orange. To the right, there is a bookshelf with books, a pen holder, and a small plant. On the left, there are several potted plants. The background features framed abstract art on the wall and a window with a view of a city skyline.

Summer Student – Media Production Assistant

SZ Media is looking for a motivated summer student with a passion for photography, video, social media, and content creation. This is an excellent opportunity for a high school or post-secondary student interested in building real-world experience in the media industry.

No professional experience is required — we're looking for someone genuinely interested in photo and video production, eager to learn, and excited to develop valuable skills alongside an experienced team.

Schedule

Monday to Friday

9:00 AM – 5:00 PM

Location

Winnipeg, Manitoba

Flexibility

Flexible hours may occasionally be required depending on project schedules.

What You'll Do

As a Media Production Assistant, you'll work directly alongside the SZ Media team and gain hands-on experience in many aspects of the business. You will be fully immersed in the business and work directly with the owner of SZ Media, gaining valuable experience not only in media production but also in entrepreneurship and business operations.

Photo & Video Editing

Assist with editing and learn industry-standard software used by professionals.

Drone Operations

Assist with drone operations and learn how to fly drones safely in the field.

On-Location Shoots

Assist on location during photo and video shoots from start to final delivery.

Media Management

Manage digital files, media assets, and support day-to-day business operations.

Who We're Looking For

No previous professional experience is required. What matters most is your enthusiasm for the media industry, your willingness to learn, and your desire to develop your skills.

Creative Interests

- Interest in photography, videography, drones, or content creation
- Taken multimedia, photography, graphic design, or video production classes
- Create content on Instagram, TikTok, YouTube, or other platforms
- Have experimented with video editing on your own

Work Ethic & Character

- Dependable, organized, and willing to learn
- Can work independently and take initiative
- Positive attitude and strong work ethic
- Enjoy working with computers and learning new software
- Hold a valid driver's licence and have reliable transportation

Additional Requirements

This role involves working across Winnipeg and surrounding areas. Here's what you'll need to be prepared for:

Valid Driver's Licence

A valid driver's licence is required for this position.

Reliable Transportation

You must have reliable transportation to get to and from various locations.

Travel to Shoot Locations

Ability to travel to various shoot locations throughout Winnipeg and surrounding areas.

Indoor & Outdoor Work

Comfortable working both indoors and outdoors in varying weather conditions.

Equipment Transport

Ability to occasionally drive company personnel or equipment between locations when required.

Future Opportunities

Our goal is to find someone who can grow with the company. Students who perform well may be considered for future part-time or full-time positions.

\$60K

Starting Salary

Full-time team members can earn from \$60,000 per year depending on skills and responsibilities.

\$80K+

Growth Potential

Experienced team members can earn \$80,000+ per year based on their value to the company.

- ✔ This summer position is a direct pathway to a long-term career in media production. Exceptional students will be considered for part-time or full-time roles after the summer.

What You'll Learn

This position provides immersive, hands-on experience across the full spectrum of professional media production — skills that will serve you throughout your career.

Photography & Videography

Professional techniques for capturing compelling photo and video content.

Post-Production

Video editing and post-production workflows from raw footage to final delivery.

Drone & Aerial

Drone operations and aerial photography techniques used in professional productions.

Client Communication

Project management and professional client communication skills.

Social Media Content

Content creation strategies for Instagram, TikTok, YouTube, and other platforms.

Business & Entrepreneurship

Real-world business operations and entrepreneurship working directly with the owner.
